Criminal Application No. 1582,1600,1601,1603,1605,1607 of 2007

Office Notes, Office Memoranda of Coram, appearances, Court orders or directions and Registrar's orders	Court's or Judge's orders

CORAM: C. L. PANGARKAR J.
Dated: 22nd June, 2007.

Heard.

This is an application under 438 Criminal Procedure Code by 6 persons. All these 6 persons have applied for grant of anticipatory bail since the offence has been registered by police station Ghatanji against the present applicants under Section 306 Indian Penal Code.

It is the case of the complainant that his

brother committed suicide due to illtreatment subject to have been given by the present applicants. Since the report has been lodged and the offence has been registered applicants apprehends arrest.

Learned counsel for the applicant took me to through F. I. R. as well as suicide note left behind by the deceased. After having gone through the suicide note I do not find that there is anything which suggests that any of the accused had given any such illtreatment to the deceased that he should commit suicide. It is mentioned therein that some woman was sent to the school in order to defame him but she did not do anything. Further it is mentioned that somebody else had taken the credit of the work that was carried out in the village instead of giving that credit to the applicant. That can hardly be a ground which would suggest that any of the accused/applicant intended to abate the commission of suicide.

In the circumstances I find that this is a fit case where the applicants should be granted anticipatory bail. In the circumstances I direct that in the event of arrest in Crime No. 61/07 of police station Ghatanji, each of the applicant be released on his entering into personal bond in the sum of Rs. 5000/- with one surety in the like amount. They shall however, make themselves available as and when called by the police for the purpose of interrogation.
